

Supply Handbook

Helmets: www.wcircle.com or www.doversaddlery.com. The brand that I prefer is Ovation. Most of the helmets have an adjustable piece inside of them to better fit the child's head.

Riding Pants “Kentucky Jodhpurs”: The jodhpurs should also come with “underpasses” that keep the bells of the pants down while they are riding.

www.wcircle.com, <http://stores.hartmeyer.com>

Riding Gloves: We prefer leather gloves as they tend to slip less than regular cotton gloves.

wcircle.com, doversaddlery.com

Riding Boots: Riding boots should come to the ankle in height to allow their leg to be in the correct position for saddle seat riding.

Doversaddlery.com (scout zip paddock boots)

wcircle.com (Ariat Devon III Youth Black Boots)

Cascade Stables Riding Polos: On our website there is a link to where Cascade Stables has a store and you can purchase polos with our logo on them. We like the kids to wear these if they are participating in any barn shows.
